ARMY AND THE ORIENT SCORES THE LOBBY

INDICATION OF READINESS
SHOULD TROUBLE COMESCHEDULE OF DEPARTURE OF
TROOPS AND TRANSPORTS
FROM SAN FRANCISCO.

Washington, Jan. 3.—The attitude of the Chinese toward foreigners and foreign interests generally has become sufficiently hostile to warrant preparations on the part of the various governments for the suppression of another demonstration such as that which occurred in 1905. The Navy Department had intended to order the battleship Oregon back to the United States, but, in view of the threatening situation which has developed, instructions have been cable to leave this vessel in the Orient. There is no change in the purpose of the President to increase the battleship squadron in Asiatic waters by two vessels during the coming spring.

The Chinese situation was discussed at the Cabinet meeting yesterday, and later Secretary Taft cabled to General Wood, commanding the military division in the Philippines, that he was to be reinforced in order that he might always have a strong detachment in readiness to proceed without delay to China in case American interests were menaced. Two regiments of infantry and two batteries of field artillery will be sent from the United States at once and should reach Manila by March 1.

The administration does not expect any rising before that date, but, as an official said, it is utterly impossible to predict when the Chinese may attack the foreigners. The only thing to do, he said, was to be ready, and this is the view of the President and the entire Cabinet.

The troops at Manila will be within fifty hours of Chinese territory, and if it should prove necessary to land a force in the southern part of the empire there will not be the long delay which would enable the Chinese to prepare for desperate resistance.

San Francisco, Jan. 4.—The army officers here have not been officially notified of the Government's intention to send more troops to the Philippines and no change has been made in the sailing schedule of troops which was made out a few months ago. If the present schedule is not changed parts of five regiments, which will be equal to about three full regiments, will be sent to the Philippines, while five full regiments have been ordered to return to the United States from the islands.

Several officers, high in authority, stated yesterday that there was nothing unusual in the sailing of additional troops from this port, as the army regulations state clearly that all regiments shall serve two years in the islands and four years at home, which means that a third of the whole army is set aside for Philippine duty. The present standing of the army is about 65,000 men and of this number about 22,000 are in the Philippines at present.

As there were only two regiments sent from the United States army during the Boxer trouble in China it would hardly seem necessary to increase the standing army in the islands unless an uprising in China should actually occur. In case of an emergency and the War Department should decide to rush troops to China almost the entire army in the islands could be sent there on short notice, besides two regiments of infantry, one regiment of cavalry and six batteries of light artillery, which are stationed in the Pacific division.

According to the schedule issued a few months ago and which the officers declare has never been changed the troops will sail for and leave Manila as follows:

Troops for Manila—December 15, ten troops of the Third Cavalry; January 5, four troops of the Fourth Cavalry; January 25, Twenty-fourth Infantry; March 5, Eighth Infantry and two troops of the Third Cavalry.

Troops returning from Manila—November 15, Seventh Infantry; December 15, Twenty-second Infantry; January 25, Second Cavalry; March 5, Twelfth Infantry, and April 15, Twelfth Infantry.

GOV. HERRICK CALLS THE LOBBYIST A CREATURE

POINTS WAY OF RELIEF FROM
TAXATION—NOMINATION OF
COUNTY OFFICERS AT DI-
RECT PRIMARY.

Columbus, O., Jan. 1.—The Ohio Legislature convened today. For the first time in years the Assembly was not opened with prayer. The message of Governor Herrick to the Legislature was in part as follows:

I most earnestly recommend the abolishment of the lobby in Ohio. It is neither possible nor desirable to isolate members of the General Assembly from the people. It is right and proper that executive and administrative officers of the State, who are the servants of the people, should keep in close touch with the members of the Legislature in order to ascertain and carry out their wishes. It is necessary and desirable that the public at large or any citizens who are specially interested in some subject of legislation should have full opportunity to appear before the proper committee in either house to be publicly heard in any matter affecting the welfare of the State or the interests of any business or class of people. But beyond these limitations all contact between legislators and outsiders in the work of legislation should be stopped and all means of soliciting, importuning or demanding the enactment or repeal of laws or the allowance of appropriations should be prevented by the most rigid measures at the command of the General Assembly.

There is a creature, however, who more richly deserved the scorn and contempt of men than the lobbyist. It is he who is responsible for the so-called "milking bills" introduced for the purpose of extorting money from special interests. He is who often brings the lobbyist in self-defense to the Legislature. Acting very naturally upon the law of self-preservation and desiring to protect themselves from threatened ruin, the owners of legitimate industries or the proprietors of proper and lawful businesses are often compelled to send representatives to the Legislature to watch the progress of the "milking bills" introduced for the purpose of extorting money from special interests by those whose sole motive is to arouse this anxiety. No legislation will reach this situation. The sole remedy for it lies in the wholesome contempt which all members of the Legislature should feel and show toward those who dare to engage in this pernicious practice. I speak of this evil because it is urged as an excuse for the lobby and there ought not to be any excuse for the lobby.

The people of Ohio have come to regard as their State policy a system of taxation which relieves real and personal property from the entire burden of the State's expenditures other than for educational purposes. This policy to relieve the homes and farms of the people from taxation for State purposes and to place the burden upon those who enjoy special privileges from the State is both wise and just and should not be disturbed. It should be carried still further so that ultimately no tax whatever is imposed upon real or personal property for any State need.

I am earnestly in favor of the nomination of all county, municipal and other officers by a primary election. I believe that conventions for such purposes should be abolished and that all aspirants for office should have an equal opportunity to be nominated by a direct vote of the people.

Suffered Terribly from Indigestion.
Cured by Ayer's Sarsaparilla.

"It is with pleasure that I can testify to the great benefit I derived from the use of Ayer's Sarsaparilla. I suffered terribly from indigestion, and tried several medicines without avail. I was then persuaded to take

Ayer's
Sarsaparilla

and after using a few bottles my indigestion was cured, my appetite came back, and I was strong and hearty. This is some years since, and my old complaint has not returned, but I always keep a bottle in the house, and when I feel at all out of sorts a few doses put me right again in quick order."—W. S. KIRKINSON, Mt. Vernon, S. A.

There are many imitations of Sarsaparillas. Be sure you get "AYER'S." Prepared by Dr. J. C. Ayer & Co., Lowell, Mass., U. S. A. AYER'S PILLS, the best family laxative.
